

How do I know when it is time to renew my membership of El Dorado Women's Golf Club?

The SCGA will automatically send an email to members, starting 60 days prior to the expiration of your membership of the club. This email message will arrive 60 days, then 30 days, then 7 days and 1 day before and 1 and 30 days after expiration.

When you have renewed, the reminders will stop.

How do I renew my membership?

You can follow the link that SCGA will send you, or go to scga.org/renew and input El Dorado Women's Golf Club into the search box. A "Renew Now!" link is listed to the right, which will take you to the club's renewal portal.

Note: if a member attempts to try to renew more than 60 days prior to your current expiry date, the system will reject the payment indicating the member is not eligible to renew at this time (protection from paying multiple times for the same membership).

Can I renew automatically?

Yes! When renewing your membership through the SCGA's join/renew portal, select the "Auto-Renew My Membership" option when checking out.

Note: You will be notified multiple times prior to the auto-renewal being processed, with opportunity to opt out.

How do I renew WPLGA and/or LACWGA?

This is **not** done on the portal.

You will need to complete a form and pay with a check, and give to Penny McDonnell.
